

## Asian Biomass Center (ABC)

National Science and Technology Development Agency &  
Renewable Energy Institute International (REII)  
Cooperative Renewable Energy and Fuels Program\*

**REI International**

*Asian Biomass Center*

\*Agreement Signed on March 31, 2006  
(Thailand Science Park, Bangkok, Thailand)

*Asian Biomass Center*

2008 Cooperative Renewable Energy and Fuels Programs  
REII and the Asian Biomass Center

Program 1 - Evaluation of Jatropha Curcas as a Bio-fuel and Bio-energy Resource

Program 2 - Economic, Energy and Environmental Life Cycle Study (LCA) for the Conversion of Renewable Biomass and Natural Gas to Energy and Fuels

Program 3 - Evaluation of Thermochemical Technologies for the Conversion of Agricultural Waste to Energy and Alcohol Fuels

Program 4 - The Conversion of Rice Straw and Rice Hull Ash to Commercial Products

Program 5 - Thailand/U.S. Rural Renewable Energy Demonstration Project

## *Asian Biomass Center*

### Program 1 - Evaluation of *Jatropha Curcas* as a Bio-fuel and Bio-energy Resource

*Asian Biomass Center*

**Program 1 - Evaluation of Jatropha Curcas -Test Plots (Northern Bangkok)**
